Sir:

The references cited on the attached PTO/SB/08A and PTO/SB/08B forms are being called to the attention of the Examiner. Copies of the references [in compliance with the requirements of 37 CFR §1.98(a)(2)] are enclosed. It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Reference BF (NISHIMURA et al., "Indexing of human motion at meeting room by analyzing time-varying images of omni-directional camera," Conference on Computer Vision, 1:1-4 (2000)) is not included in the non-patent literature references that are being submitted with this IDS. Applicants have taken diligent efforts to locate a copy of this reference without success. Applicants request that the Examiner also make efforts to locate a copy of this reference. Applicants will continue to make efforts to locate a copy of this reference and will submit a copy of the reference in the future if and when such copy is located.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
